“ Still thinking of you daddy I hate the fact that your not blowing my phone up after the gym & at 3:30 everyday asking me if destiney was out of school yet I hate that I can't tell you how much I love you & how you were my best friend I hate the fact you never got to hold your 2nd grandson and I really hate the fact that your gone and not coming back. I miss you so much I miss answering my phone to hey darlin.... I love you so much I hope you were watching down Saturday the BBQ we had in your honor everyone left drunk I know you wish you were there having a beer with us... “ Mike was always a good friend- I could always count on him when we were growin' up. We shared the love of the outdoors... fishing, bushchompin'. I'm truly saddened to hear this news. At least the critters will have someone lookin over 'em! I'll miss you buddy-
