

Mr. Aaron Matthew Pacheco

March 13, 1993 - August 20, 2020

It is with the deepest sorrow that we announce that Aaron Matthew Pacheco, beloved son, brother, uncle, grandson, nephew, cousin, friend passed away after a valiant effort by his mother, Lisa Michelle Pacheco, brother, Manny Don Pacheco, numerous first responders, doctors and nurses, early Friday morning, August 21, 2020.

Aaron, born March 13, 1993 in Chicago left us all too soon at the tender age of 27. He is survived by his mother, Lisa Michelle Pacheco, his brothers: Manny Don Pacheco and Cody Michael Pacheco, his nephew Oliver Pacheco, grandparents Jack and Jean Canatsey, and Uncle Larry Canatsey and Aunt Tammy, Aunt Lynda Canatsey, Uncle Jeffrey Canatsey and Aunt Kasey, Aunt Laura Neutzman and Uncle Keith, Uncle Scott Canatsey and Aunt Carrie, Aunt Melanie Wilson and Uncle Greg, his Aunt Sarah Canatsey and many, many cousins and many, many friends. He is predeceased by his cousins, Tyler and Jason Canatsey.

There was no one who ever met Aaron who did not love him. You absolutely could not help yourself. Shy at first, once Aaron knew you the true depth of his kindness, gentleness and compassion was revealed. He was the definition of funny and charming all enhanced by the fact that he never knew just how funny, charming and endearing he was. Aaron inherited his powerful and dedicated work ethic from his family and pushed himself hard to do well and please. He was an excellent cook and when not working he immersed himself in music, Adult Swim cartoons, The Office and making life sweeter for anyone in his presence.

Aaron moved through this world with the most broken of hearts. If he had loved himself as well as he loved everyone around him these words would be unnecessary. We will ache for him the rest of our lives. We can only comfort ourselves knowing that now, finally now, that beautiful, tender heart is finally whole again. Our beautiful boy finally knows peace.

A Visitation and Prayer Service will be held on Wednesday, August 26th, 2020 at the DeGusipe Funeral Home at 9001 N. Orlando Avenue, Maitland, Florida 32751 at 6:45pm.

“ Aaron I will truly miss you, I had so, so much to teach you yet. I always thought of you as a beautiful and peaceful soul eager to learn anything and everything and I so wanted to teach you. I love you, boy RIP.

“ I remember having a few beers and listening to music and we came across Hey There Delilah and sang it at the top of our lungs in our bedroom. I remember chillin on the patio with our roommates many nights and you'd hold my hand while we sat together laughing, playing cards and sharing cigarettes. I remember how we used to skate all the time. You showed me a few basic things and truly encouraged me and I ended up falling in love with it. And you. I remember you as one of the most caring beings. You always made sure I was taken care of. You always gave me your attention. You always stuck by my side. You were always hugging me and holding me. I remember vividly how it feels to hug you, to look into your eyes, the sound of your voice, your hands on my face, your smell even. And I'm so grateful I remember these things because you are one of my fondest memories. I cherish our times together. I love you Pacheco. You are seriously such a kind soul. You offered me a place to live when I was alone and pregnant trying to leave a bad relationship and although a different place worked out for me, I never forgot that you were there with open arms at one of my darkest hours. Even back in 2013, again in one of the darkest places, there you were. And recently you had checked up on me when I said I was coming home, and the last thing you said to me was "I just care about you Mims." And I just want to thank you for caring since day one. Rest easy. <3

“ Aaron, you are one of the few people that I can honestly say I never raised my voice to or said anything unkind to. You were always so sweet and so willing to do things for Grandpa and me. Loved our Disney days and especially last year when the three of us played miniature golf at Disney's Fantasia Gardens.
Love you to the moon and back, Grandson.

“ I remember what a wonderful day we had when Jean, Jack and I spent the day at Walt Disney World with Aaron last winter. His choice of parks was Animal Kingdom, and we spent much time there. We also went to Epcot and had a great time. He was so good with Jack, pushing his wheelchair anywhere and everywhere Jack wanted to go. I am so sorry for the loss of this beautiful life so young, but his memories will remain, and he will be in our hearts forever. Praying God will grant the family the same peace Aaron has now finally received.
