“ Ana was truly one of the most beautiful, caring, and loving women we have been blessed to know. Thirty years ago, we were fortunate to have been brought into the Asmar family when we moved next to them. Upon the birth of our baby girl, she took her in her arms and loved her like her own grandchild. She was always there to care for our daughter for many years when we were working. Her kindness and heartfelt love knew no bounds for her family, her friends, and anyone she came to know. She would dance with joy to the merengue, laughing and encouraging all to join in. Ana's cooking was the best ever! She taught us the true meaning of the family feast and we never turned down her invitation to join in. We are going to miss her so much. Words cannot express how deep our love is for this beautiful woman. She will be forever in our hearts.

Our prayers are with the family in this difficult time. May the comfort of God help you through this very difficult time.

Love, Ali, Denise & Kaylee
