“ We will miss her smile and laugh, no matter how she was feeling.
Great memories-Russia with a her cigar at the back of the ship, receiving communion from her, and mostly that I was always happy to have her refer to my husband as her boyfriend, and he to refer to her as his girlfriend.
We know you are in a better place.
With love and prayers,
Debbie and Steve

“ I spoke with Ann just about every Sunday at the 10am Mass; she was always with a welcoming smile for everyone who walked through the front doors. Ann was also a long-term substitute for my daughter's class at St. Mary Magdalen Catholic School.
We will miss her sparkling eyes and kind words.
