

Anne Carey

July 18, 1936 - October 12, 2020

Anne Carey, age 84, passed away at her residence on Monday, October 12, 2020. She was born on July 18, 1936 in Joliet, IL to the late Joseph and Ann Sitar.

Anne fought a courageous battle against cancer for the last 8 years of her life, always seeing the silver lining in this journey. She had an adventurous nature that allowed her to see God's work in this beautiful earth and more importantly in His people. She had a special place in her heart for children (her own and all she met) and devoted much of her life to loving them. She will be remembered for her genuine kindness, her warmth and her magnetic smile. She has found her endless Summer where the surf is always up!

She is survived by her ex-husband; Robert Carey, 5 children: Kelly McDaniel, Patricia Carey, Tracy (Matt) DeWitt, Robert Carey, Maribeth (Scott) Madden and brothers; Joseph (Sally) Sitar and James (Bonnie) Sitar.

Per Anne's wishes, there will be no scheduled service at this time. A celebration of life will be scheduled sometime next year.

The family suggests donations in Anne's name to her favorite St. Augustine charities; St. Gerard, <http://www.stgerardcampus.org> or the Council on Aging, <https://www.coasjc.org>

The family of Anne Carey invites you to leave a message of condolence on the Tribute Wall created in her memory.

“ I am devastated to discover this obituary. Anne was a dear friend of my Mother, Lorry Brncich. They stayed in touch regularly even after Anne's move to Florida. My Mom passed in April, 2018; however, I continued to keep in touch with Anne. I sent her Christmas card a couple weeks ago and didn't get my call from her. I just had a feeling she went to Heaven. She was truly one great, kind, optimistic, and God loving person. God Bless you. Anne....say Hi to Mom for me. Anne.

“ I can remember the first time I met your Mom, Tracy... we went home from college to visit her for the weekend.... she was folding laundry and back and forth to the kitchen and told us to just make ourselves at home.. and because of her warm welcome, it felt like home right away.. it was one more thing that solidified my friendship with you.. that your home felt similar to how I had grown up... Anne Carey exemplified kindness and joy through and through. I never saw her that she didn't give me a hug and have a sweet word to share. I know you will all miss her laughter and joy. Sending up prayers for all of those who loved her dearly and will miss her! ~Tami Sober

“ Remembering back to when I was about six years old, there was always a special present from my cousin and Godmother Anne. It could be a toy battleship that launched plastic depth charges or a homemade cherry pie for my birthday. Often times it was something brought back from a trip to Florida. There were seashells, a coconut carved to look like a monkey and a hand painted wooden baseball bat. Every time I look at that wooden bat today, it brings back the memories of sixty years ago.

We send to you our sympathy and prayers that the days ahead bring you peace and comfort.
