

## Brenda J. Feldman

April 1, 1943 - February 24, 2018

Brenda “Bunny” Feldman passed away at 74 years old on February 24, 2018, following a sudden, but brief, illness. The family she cherished surrounded her.

Brenda, a 27-year survivor of breast cancer and proud supporter of breast cancer research and the Jewish community, is survived by her beloved husband of over 47 years, Lawrence, her sons Richard, Jonathan (Jennifer), and Joel (Allison), and her grandchildren Ethan, Anna, Everett, and Micah. Her son Michael predeceased her.

Although Brenda was an only child, she had a gift for creating sisterhood among her many close friends and relatives, and positively affected the lives of many of her friends and her children’s friends through her selfless and tireless devotion to those around her. Brenda will be remembered for her inquisitiveness and thoughtfulness – she never missed a birthday or anniversary, and put tremendous thought into the selection of greeting cards for such simchas. She enjoyed attending shows at the Winter Park Playhouse and other venues with her husband, rooting for her alma mater, the Temple Owls, and visiting her children and grandchildren in Atlanta.

Brenda’s life and lasting memory will be celebrated at DeGusipe Funeral Home in Ocoee, FL at 10:30 AM on Wednesday, February 28th.

In lieu of flowers, the family requests that donations be made to Brenda’s favorite charity, the American Cancer Society’s Making Strides Against Breast Cancer walk.

“ While I did not know Ms. Brenda, I do know her son and his family. It's often been said that "the apple doesn't fall far from the tree"... If this is true, than Ms. Brenda's left an excellent example of how one should conduct one's life. It's an honor knowing her son Jonathan.... I only wish I'd known the mom... I would have loved her.... Much love and comfort to the family... Rether White, secretary to Jonathan Feldman

“ I am so very sad and can hardly believe it. High holidays will not be the same without Bunny. I could not get used to calling her Brenda! She was such a warm, loving woman, and I don't think I ever met anyone who was prouder of her family. Hugs to all.
