“ My condolences to Brigette’s daughters, parents, grandsons, and other family. I had the pleasure to work with Brigette at Credit Suisse in The Bahamas from 1995 to 1999. As a young adult, and pretty much straight out of high school, Brigette took me under her wing. She was always motherly and kind to me, and always willing to offer guidance and advice. Even after 1999 and moving on in my career, I would be sure to return to Credit Suisse offices now and again to pay Brigette and others a hail. During these visits, it was always a greeting by hugs and joy between Brigette and I. We would catch up on family and so forth. My last visit I remember so vividly, Brigette proudly showing me pictures of her daughters and grandsons.

Brigette’s kindness and loving nature will be missed. I will be forever grateful for the blessings she gave to my life.

May her soul Rest In Peace with Our Lord.

“ Brigitte Thompson Johnson my dear Credit Suisse colleague and friend from early 1980s to date. For both of us, Credit Suisse was our 1st jobs straight out of High School.
.We both got married and had our children there (she with her 2 daughters and me with my 2 sons & daughter) .We encouraged and supported each other..
Oh! how I remembered her introduction to rushing during Junkanoo . Before either of us got married, she and I wanted to experience Junkanoo up close and involved. We encouraged Stephen, another CS colleague who later became my husband to accompany us...help us with pasting , collect us from home and return us home. We invited other Credit Suisse colleagues to join us as back then, the Staff were like FAMILY..so together a few of us rushed Scrape behind the Valley Boys and the Saxons - back then you could parade freely behind the groups .
What a wonderful time she and I had along with our other colleagues.!
When we were finished rushing we were beat tired , could hardly walk," mashed right up"and don't know how she and I made it to our car parked on Market St Hill...we both had a GREAT TIME! And often spoke about it as we remembered it so fondly!
PRICELESS MOMENTS BECOME PRECIOUS MEMORIES.

Brigitte and I also shared a close bond as I was the one who introduced her to Mummy's Chocolate Cake which was the BOMB to her...from her first taste early 80' ,she was hooked to Mummy's rich moist cake which she says was DIVINE!.. that love went even beyond me leaving Credit Suisse after 20 years employment. However, every month, without fail, up to the early months this year, faithfully, she ordered it just so she could have a daily slice.

She didn't need a special occasion to do so, and even then, she ordered a 2nd one just so she could have her OWN daily chocolate cake rush..even to the extent of freezing it. whenever she had to travel, trust me she took along her new box of chocolate cake straight from Louise Pople's Kitchen. Whenever she collected her cake each month, she would spend a short time chatting with Mummy and Daddy at home .

We are so thankful for Brigitte for her love and support to them ,beyond measure. Brigitte Thompson Johnson will live on forever in our hearts and minds...

“ Brigitte and I have been friends since we both attended St. Joseph's Catholic Primary School and Aquinas College. We both attended St. Francis Xavier Cathedral where her daughters Crystal and Christine along with my son Timothy were altar servers.

Brigitte was a loving, kind, loyal and supportive friend. We always greeted each other with the words "my sister in Christ." She was loved and she will be truly missed.

My sincere and deepest condolences to her parents Mr. & Mrs. Thompson, her brother Noel, her beautiful daughters Crystal and Christine, son in law and her 5 grandsons that she adored. May her soul rest in eternal peace.
