“ Seal was a wonderful presence at the Senior Center in Lake Mary where she was a member and participated in our exercise programs. She always had a smile and a friendly greeting for everyone. I will miss seeing her and am saddened about her sudden passing. Rest in peace sweet girl. Diane Dever

“ Seal and Barry were very special and have always been a delightful presence in my life. Loved her so much and she takes a piece of my heart with her. I will miss going to the jewelry retreat with her and visiting BBee's or Max and Meg's for breakfast whenever I visited. She had such a zest for life and total acceptance of everyone and was a confidante to so many people. I will always miss her and her light! So sorry I will not be able to be at the ceremony today. Fly high my angel and give Barry a hug for me.

“ Seal was a light in everyone's life that she touched. She was more than a cousin to the Rosbury "kids" she was more like a sister. Her smile, her laugh, her hugs and her wisdom were always at the ready.

“ Mona - I have been posting Seal's information on a site called FamilySearch. Are you familiar with it? I saw that Seal has some cousins who have posted their. They have the Rosbury-Yoder surname. I was wondering if you know them and if you would be interested in the information I have found.

I'm not related - just a friend of a friend.

“ Seal had such a vibrant personality, I don't know of anyone not loving her. I never heard her say anything critical or disgraceful about anyone or anything. She respected everyone way of life. We will all miss her. Rest in Peace beautiful Lady.
