“ Well, it's about time for me to post to Cheryl's Wall. I just still can't believe it's real!!! In 1991, I met this incredibly amazing Woman at a Party. For me, it was Love at first site. She had the most beautiful eyes I'd ever seen and was the kindest Person I'd ever met! As we went through the years, I found Cheryl to be smart, loving, intuitive, funny, loyal, thoughtful, compassionate and the best friend I could ever hope to have! I miss her every moment of every day but know that she is in a wonderful place in heaven with her Mom, my Mom and all of the fabulous friends and family that went before her. She always wanted what was best for me and I will be forever grateful for the 27 years we had together!! Love just doesn't explain what I felt for Cheryl! Until we meet again my Sweet Cheryl...always and forever, Terri

“ Terri, I live in the Orlando area and worked with Cheryl so I considered her to be a close teammate and friend. She was always positive and supportive of me and everyone she encountered. Her smile and demeanor made her easy to approach and successful with her career and very special to her closest friends and family. Please know that I will miss her and I offer my most heartfelt sympathies for the loss of your partner and the love of your life. Sincerely, Sidney Hinson

“ Terri - You know how much we love you and how much we loved Cheryl. When you spend as much time with a person as I did with Cheryl they become part of your family. Cheryl was like a sister to me. My memories always seem to go right to the laughter we had together. Most of the time she thought I was crazy but I could make her laugh. There will always be a place in my heart for her. Walking into her Store will never be quite the same without her. Cheryl touched a lot of people in her life and in her career that thought the world of her. We are here to support you in any way we can.

With Love - Robert

“ Terri- Words can't express the heartache we are feeling with Cheryl's passing. Cheryl and I were good friends for more than 30 years. I have so many wonderful memories of times we shared. Fishing, playing cards, camping and, oh all the great parties we all had!!! Cheryl had the biggest heart and would drop everything to help her friends. She was one of a kind and will be greatly missed but I will keep all those memories close to my heart. And when I think of her big smile, it makes me smile! We love you, Terri!
