“ A year ago you had your life with Alyssa all planned out and you knew a that time that you're life together would be forever. You never cared where you would go as long as you could go fishing. To day is a very sad day for your mother, Alysaa,, family, and friends they will have to say goodbye but not forever. See ya later sounds better

“ Dear Dawn and family, As you celebrate Christopher's life today, and I know you are all heartbroken, remember that he was deeply loved by his wonderful family. I remember watching him grow up alongside his big brother DJ and you were so proud. I enjoyed sharing memories of him through pictures of him fishing with his grandfather and brother, and doing BMX which brought him so much joy. When I visited everyone in Florida, Christopher always shared some time with me. He was the nicest kid. I love and will miss Christopher always. My deepest sympathy to you, Dawn, and the family. Love Uncle Louie.

“ I will always remember the memories we had camping, fishing, and playing baseball. I have so many fond memories. The most memorable one is when we went night fishing in Crystal River. As we were making our way off shore we encountered bait fish being drawn up to the top of the water and out of nowhere we had birds flying down behind the boat. The sky turned to more birds more than we had ever seen. It felt like a horror movie. It was unreal how many birds were around us. We casted our fishing lines into bait and you landed the biggest snook I had ever seen anyone catch. It was a memory I will never forget, as you rubbed it in that you are the best fisherman of the family. I enjoyed the excitement and shock on your face knowing that you would have this great memory of the time we went night fishing, as we had many other great fishing stories with one another. I love you and miss you.

“ I remember him being such a sweet cute kid and I'm glad he got to meet my son when he was smaller when my dad took him down there and I found a couple pictures of that time and I need to share with everyone. Christopher you were loved by everyone and it's so sad you were taken away from our family and we will all miss you.
