October 25, 1949 - February 26, 2017

Dolores “Lory” Gonzalez, 67, passed away at Hospice of the Comforter on Sunday, February 26, 2017.

Born on October 25, 1949 in Pittsburgh, Pennsylvania. She is the daughter of the late Joseph Gaetano and Dorothy Bartos. She moved to Central Florida with her family at the age of 8. She attended Maynard Evans High School and Valencia Community College.

Lory enjoyed her family, going to the beach, decorating her homes and vacationing when possible. She worked in various roles from a wig/hair stylist, constructing and repairing hearing aids, customer service and owning wig boutique to support people going through chemotherapy.

Lory was a member of The Vine Church of Greater Orlando.

Lory is survived by her husband of 29 years, Carlos Gonzalez of Apopka, FL; her son, Jack Ortiz of Apopka, FL; her daughter, Michelle Ortiz-Raventos of Apopka, FL; her sister, Sharyn Ann Martin of Orlando, FL; her half-sisters and brothers in various locations throughout the US; her grandsons, Kristian and Nikolas Raventos of Apopka, FL and several nieces, nephews, and cousins. She was greeted in heaven by her mother, Dorothy.

A celebration of her life is scheduled for Saturday, March 11th at 12:00pm, giving all who loved and cared about her time to make their plans to attend. We are celebrating her by wearing green, since it was her favorite color.

Arrangements are being made at DeGusipe Funeral Home. Online condolences may be made to the family at [www.degusipefuneralhome.com](http://www.degusipefuneralhome.com).

“ Mom, I miss you very much but I'm glad you are in heaven. Thank you for always loving us. Whether it was papi, Jack or I and your grandchildren Kristian and Nikolas, family and friends. I have so many fond memories of our time together, especially before you were sick. You were so full of life, always pressing forward, never giving up. You were a fighter and fought until the end. You made me a laugh the last time we spoke in the hospital. You were good with putting that smile on my face. Thank you for being a big part of why I am the way I am. Love you bunches always! Your daughter, Micaela
