“ My family grew up in the same church as the Prices. I baby sat the kids. He was a quiet but wonderful man. Many family events that we shared with the church and the Prices. Sending our thoughts to Shirley and family. The Lonning Family and McDowell family.

“ I remember as a child when Uncle George came to our house to help my dad enclose our front porch and pour concrete for the steps and patio. Then I remember when he built your house. My dad always said George could do anything and was so proud of him. I also loved hearing him tell stories about all the adventures he had with my dad growing up. He was such a kind, gentle and loving man. My heart and prayers go out to all of you in your loss.
