

Dr. Glenyce Irene Doorn

February 22, 1930 - October 28, 2019

This woman of God was born Glenyce Irene Salseth into a humble farm family on a snowy Wisconsin day at 2 pm near the Norwegian Village of Woodville, St. Croix County, Wisconsin on February 22, 1930. Her father, Ekard Oliver Salseth, and her mother, Gladys Selina Nichols Salseth, both had become Christians through the efforts of the local Norwegian Baptist Church, so Glenyce was raised in a loving Christian home. Her two brothers, Lee and Harold, were 10 and 13 years older than her so became her daily guardians and companions as Mom and Dad labored endlessly to make ends meet on their small rural dairy farm. Glenyce learned to do a man's work at a young age milking cows, driving a team of horses, later a tractor, planting and harvesting the crops in order to make life livable.

After many years as faithful members of their little Baptist Church, they heard of a group of strong Christians beginning in their area and became Pentecostals which became their faith the rest of their lives.

After graduation from Woodville High School, Glenyce enrolled in North Central Bible Institute in Minneapolis, Minnesota. It was there she first saw a young student from Michigan by the name of Bob Doorn. However, they never personally met their first year. During the summer of 1949 in Bob's home church in Grand Rapids, Bob and Glenyce stood up with best friends at their wedding. Going down the aisle together following the ceremony, they met for the first time. Following the brief introductions, they had not gone but a few steps when the Spirit of God spoke to Bob's heart that this girl would one day become his wife. Bob never dated another girl for he had found his mate. Of course, he dared not tell Glenyce lest she think him a bit bizarre and never see him again. In God's appointed time it all came together and on July 25, 1950 they were wed in their first pastorate at the Wilson Community Church in Wilson, Wisconsin.

After 40 years of successful pastoring, the Doorns embarked on full-time missionary ministry to the nations of the world, ministering on every continent except Australia. They went on to further their education and have earned Doctorate of Divinity and Doctorate of

Philosophy degrees. During these years God blessed them with 3 wonderful children, Timothy (Sheena), Mark, and Susan (John) along with 8 precious grandchildren – Gavin, Lauren, Eden, Grace, Kristin, Simone, Preston and T.J.

Mama is resting in the Arms of Jesus until that day when we are all reunited by the Grace of God and the precious blood of Jesus!

“ I recorded this short video of Mom reading my bible out loud one day in my kitchen a couple years ago when she was still able to read and speak. I'm so thankful I kept it as it is the last video I have of her speaking. I love and miss you so much, Mom.

“ Back in the 1980 or so I was privileged to go to the Philippines with Mama and Papa Doorn. Prior to that, had the privilege of living in Brighton and attending CFC there. Not only that but Papa Doorn performed our wedding ceremony almost 44 years ago. Loved this couple, They were a positive role model. Praying for the family. Sweet memories.

“ My wife (Shelly) and I we so blessed, when Mama and Papa Doorn ministered and prayed for us just about 6 years ago at New Life church in Venice, Florida. We knew that touched and brought Heaven down on us, we so appreciated their Holy Spirit Leading and Anointing and were honored to have meet them both.

“ Papa, Tim, Mark & Susie,
Smitty & I loved Mama more than our words can express. We have so many fond memories from her laying hands and prophesying over us and Joshua who was still in my belly to our last visit this past July where once again she was weeping and praying in tongues over me. We will always treasure those days in our hearts. She is a diamond in Gods eyes. We pray now as Papa, you and all their many spiritual children walk through this journey that Holy Spirit will come and comfort us as only He knows how.

“ We will miss Mama Doorn or for us 2nd Generation we call her "Lola" (Grandma) Glenyce.

My parents who have already gone to heaven, Papa and Mama Doorn have been one of the few spiritual parents they had. And in this friendship, mentorship, family, I was born. Throughout the 1980s, 90s and until 2007 the last I had seen her personally, she always ended our conversations with "I love you!". And one time in 2007 during our little talks I can remember what she said, "Jesus is coming! And the Lord will use you mightily. Keep your heart right before Him...." and punctuated it with her trademark smile.

What she has imparted and planted upon my parents' lives is a legacy of spiritual seed that continues to be passed on, as it grows and produces more fruit in my life. During our church celebrations, Papa and Mama and their involvement with Christian Praise Fellowship is a story that is always told.

We honor Mama, our dear Lola by continuing to serve the Lord and continuing to produce and bear the spiritual fruit that has been planted upon our parents and passed on to us second generation and will continue to do. What we have learned from her will certainly not remain idle but is being applied and will be applied in an ongoing legacy that will surpass us akin to the Christians centuries ago whose spiritual fruits of testimony, their deeds, and work continue to impact us to this day and into the future.

In truth, Mama Doorn has left a big impact of that spiritual legacy around the World. She and Papa Doorn mean a lot to me. And I am proud to say that I am one of their spiritual grandkids.

What an honor and privilege to be part of this spiritual treasure!

I would like to thank Papa Doorn, Pastor Tim, Manong Mark and Sis. Susan for sharing generously Mama Doorn to the nations!

Eternally Grateful, Pastor Ray and Family and the whole of Christian Praise Fellowship Intl. Inc. and Christian Praise Children's Home.

“ Mom, I'm going to miss you. The squeeze of your hand. Your voice to say "I love you". How powerful you were when you were in your day. See you again on the other side. You raised me right.
