“ To Dear Angela & Neville, Evelyn, Michelle & Family and Gail & Family, please accept our deepest sympathy for the loss of your Mum. As an Aunt, I also regarded your Mum as a second Mother. She was an outstanding listener, never once judging me about the private things that I shared with her. When I asked for her opinion she never hesitated to give me the best possible advice. She was caring, inclusive, very calm even when there was turmoil, never once sought any recognition for all the great things that she did for all of us that spent some time with her and family, especially at 902 E 37th St. She had entrusted me to drive her to the City using the brand new Toyota wagon to run an errand, even though I was extremely concerned about being in New York traffic during rush hour. She always welcomed me during the 2 Summers and Christmas that I spent in Brooklyn. She will forever be remembered and has a special place in my heart. As tough as it is, we are comforted knowing that she is now in a better place. Thanks

Lester, Trin, Jon & Ralph.

“ Jean, Evelyn, and Gail, my wife and I send our heartfelt sympathy, in the passing of Auntie Grace(Jean). I personally will always remember her as a very graceful, stylish, and cool person. I can picture her in those high heels shoes, which always left dents in the linoleum(smile) at 133 Church St. The way that she smiled, always made one comfortable in her presence. I am sure that all three of you ladies, must be proud and blessed to have your mother with you for all of these years to share her with wisdom, kindness, and love, not only with you all, but also with her grand-children, and extended family members.

It's always sad losing a love one, especially a mother, but i am sure that all of the beautiful memories of her, will help to ease the pain and sadness.

We will be praying for you all, that God will grant each of you His grace, mercy and strength, during these difficult days and months to come.

Be strong and courageous in the Lord.

“ Dear Auntie Jean,
You were such a wonderful Aunt to all of us. You welcomed me to your home with open arms and made me very comfortable with your family and my cousins, when I first came to this country.
As the years went by you were also very sweet to my family, Rohit, Shari & Lauren.
We want to wish you a safe journey to the great beyond. You will be reunited with so many of our dear family who departed recently and years ago.

“ Gail, I would like to express my deepest sympathy on behalf of myself and my family on the loss of your precious mom. I read the Obituary and must say how blessed you must have felt to have a mother of such extraordinary discipline and character and her working accomplishments and sacrifices are a shining light of her great career and family love.

I know how sad it is for you and the family at this time but her glowing life memories and sacrifices are legendary for all to reflect at this time of sorrow as that would provide the hope and strength to move forward in her memories.

Sincerely,
Deodat

“ Grace Spellen was a beautiful, caring person and will be sorely missed; missed but not forgotten!
Never was a name more appropriate as she was Grace personified!
She welcomed me, my family and our extended families into her life and her home with no reservations - we could stay in her home whenever we wanted and for as long as we wanted.
She was strong and endured the loss of 3 generations of the males in her family, her husband, Frank, her son, David, and her grandson, Jonathan, without questioning why, without being bitter and without losing her faith.
We love you and miss you but you are reunited with loved ones in Heaven, without any more pain and suffering.
