“ Only knowing this beautiful lady the last 5 years, our family loved her just as much as we do her son. I counted her as a friend even though we only met a few times a year. When my mom made Italian pizzelle cookies for the holidays, Janet acted like they were wonderful. She made the season so warm and full of love. You're in our hearts. God hold you and keep you all in his loving embrace. Carl & Kathy plus Gloria

“ When we moved to Orlando in 1886 we brought from Seattle Cindy's boys and my stepsons, Tommy and Rudy. Cindy was Pregnant with the first of our two children, Terryl, soon to be followed with Garrett. Janet and her family made our transition to Orlando fabulous. Both Terryl and Garrett had never been any where but at "Aunt Jan's" house for Christmas Eve their entire lives, over thirty years. We love Erik and Susan and are good friends with his Dad. She was loved by my wife, adored by my children and welcome in our home at any moment. Her love for us was never questioned. She is missed.
