

John C. Johannesmeyer

April 4, 1942 - June 2, 2020

John C. Johannesmeyer, 78, of Longwood, Florida, passed away on June 2, 2020 after a brief battle with lung cancer. John's wonderful sense of humor and genuine love of people, from his closest family members to the new person sitting next to him at an Orlando Magic game, made him a favorite among his family, friends, colleagues, and acquaintances -- and even made him a standout to strangers he met along the way.

John was born on April 4, 1942 in Meadville, Pennsylvania, the son of Charles G. and Evelyn (Dale) Johannesmeyer. The eldest of three brothers, John graduated from Allegheny College in 1964 as an Alden Scholar with a B.S. in Mathematics. He earned his M.S. in Industrial Management from Purdue University in 1965. From 1965-74 John worked for Talon, Inc. with management positions in industrial engineering and human resources. He moved from Pennsylvania to Maitland, FL in 1974 and was employed by Martin Marietta Aerospace from 1974-78 in the Quality and Human Resources divisions. In 1978, John joined The Walt Disney Corporation. It was a perfect fit for a man who enjoyed making people happy, and who, as a young child, insisted on being called "Pinocchio." John retired from Disney in 1999 after serving as the Vice President of Human Resources: Benefits, Compensation and Relocation.

Throughout his life, John enjoyed sports as both a participant and a spectator. He played football, basketball, and golf, and wore out numerous pairs of running shoes. He also supported the interests of his children, attending countless football games, swim meets, and Girl Scout events. In recent years, he bonded with his grandchildren over crossword puzzles, baseball, books, and "Papa Stories." Every morning he spent time with his Bible, meditating over his daily devotional. His insights and laughter will be sorely missed.

He is survived by his loving wife of 30 years, Betty Ann (Smith) Johannesmeyer; children Jack Johannesmeyer (Jennifer), Laura Johannesmeyer Boisvert, and Carrie Johannesmeyer Lindley (Mark); grandchildren Renee, Wiley, David, Emma, and Kate; brothers Sack Johannesmeyer (Pam) and Dale Johannesmeyer (Carla); twenty nieces and nephews; and numerous brothers-in-law, sisters-in-law, cousins, and great nieces and

nephews.

He was preceded in death by his first wife, Linda (O'Connor) Johannesmeyer, his second wife, Deborah (Howe) Johannesmeyer, and his parents, Charles G. Johannesmeyer and Evelyn (Dale) Johannesmeyer.

Funeral Services will be private due to COVID-19 restrictions. A celebration of life will take place at a later date, when it is safe to fellowship.

In lieu of flowers, memorial donations may be made to Boys Town (www.boystown.org).

The family of John C. Johannesmeyer invites you to leave a message of condolence on the Tribute Wall created in his loving memory.

“ I remember meeting John when he came to work at WDW in Florida. He was always very kind and respectful. I was delighted to learn that he had married a fellow tour guide, Betty, who was also so very kind and sweet! My heart breaks for you, Betty! We send our love and prayers.

“ John was one of the greatest to work with at Disney. i worked with John from Disneyland for many years. He was a great mentor and one of the smartest and kindest persons i have ever known. He was one of only two people that called me Denny. I did not like the nickname, however, from him it was a sign of love. Our greatest bond was the love for the Cleveland Browns, In fact when the Browns returned to the NFL, we met in Cleveland for the opening game. The Brownies got killed by the Steelers. It did not matter as we had our Browns back!!!

Our prayers and love are with you Betty and your family! John will be missed!

“ John was one of my first and most influential mentors. I worked for him at the time Disney hired Eisner and Wells, and did my best to hand color the bar charts, create LOTUS spreadsheets and otherwise support him. He always was cheerful, and despite his penchant for calling me Jeffrey, which I detested, I loved working for him. I was always impressed that he tried to figure out “what’s the best way..” and we would dive into true research. He asked my opinion and seemed to care...for me, he was a treasure of a boss and leader, and that early experience helped guide me in my career. I wish condolences and fond memories for his entire family.

“ To my favorite girl scout card carrying, lederhosen sporting second dad, I am so thankful for the many years of memories our families have shared. Thank you for giving me a lifelong best friend and sister in Carrie, and for always loving *me* unconditionally as another one of your crew. I can't imagine growing up with out the Johannesmeyer family in my life. Mr. Jo - you will be missed more than you know and are loved more than you imagine. Until we meet again! “ Betty and Family, Our thoughts and prayers are with you during this very difficult time. John was an outstanding individual who loved his family, friends and country with a sincere passion. He was one of the true leaders of our Disney Human Resources team and helped make Walt Disney's Dream come true.

Love to you all,

“ John was my neighbor for nearly 32 years. I often saw him jogging, biking, and walking. He was a great encourager and wonderfully outgoing. He loved our dogs and would stop his car just to talk to them. He loved taking his own dog for a car ride daily which I think usually included a fast food stop, not for John, but for his dog! He was a humble and gentle man who although quite successful, always made you feel like his equal. He never took himself too seriously. I once visited him at his corner office in what he called the "Argile Sock" building. That was John's way of playing it down a bit. John took his faith in God very seriously and we often talked about my international travel and Christian work. He was a special man, and I wish I could have known him better. He will be greatly missed.

“ We were saddened and shocked to learn of the passing of John. He will be missed.

John was a great man; he loved his family; he was very accomplished and a great American. He loved my sister, Betty, and his family. He spoke of, and was very proud of his children and grandchildren. Over the years we have enjoyed our visits with John and Betty in Florida, El Paso and California. I always enjoyed watching football and basketball games with John. We had some great conversations.

Our deepest sympathy to Betty, Laura, Jack and Jen, Carrie and Mark, Renee, David, Wiley, Emma, Kate, Family and Friends.

With Love,
Paul and Marsha Smith

“ We were all blessed to have John in our lives. He was loved and admired by everyone. I was fortunate to call him boss and more fortunate to call him friend. He made the world a better place. This picture is a wonderful memory of his infectious smile.

“ I just 19 as Danny's girlfriend when I first met Johnny. He was always gracious and thoughtful; I'll never forget his tour of what would soon be Epcot back in 1978 I think it was. He was hilarious and very nice to our kids too. He sure loved his dogs so we made a donation in his memory tonight to Pet FBI, which of course helps animals. Betty, I'm sorry for your loss and we send our love to Carrie, Jack, Laura and the rest of the gang. We always enjoyed the time spent with the Johannesmeyer. Xoxo Richele and Danny
