

J.V. Womack

August 14, 1944 - May 13, 2019

John Virgil Womack, J.V., was born on August 14, 1944 and grew up running up and down on the sands of Daytona Beach. He passed away suddenly on May 13, 2019 while eating lunch and tasting wine at Oller del Mas, a beautiful castle winery in Manressa, Spain, near Barcelona. He and his wife, Ellen had just enjoyed a wonderful 10 day Mediterranean cruise. He is predeceased by his parents, Bill and Rhea, and by his most beloved sister, Billee Ruth Bowman. He leaves behind Ellen Claire Ross Womack, his loving wife of 37 years; his beautiful daughter Shawn Maceira and grandson, Andre Maceira; his beautiful daughter, Andrea Bridges and son-in-law, Brandon Bridges; and many beloved family members and friends that are like family. J.V. moved to the Orlando area and worked a 30 year career with The Hartford Insurance Group where he met Ellen. He was able to take an early retirement and worked with Ellen for another 17 years at Vista Community Association Management. They both retired in 2014 and enjoyed traveling and being with friends and family. J.V.'s interests through the years included playing softball, basketball, golf, fishing and boating. For 17 years, he was involved with the UCF football program and served on the chain crew marking the line to gain on the UCF side and retired after UCF won the National Championship in 2017. Another favorite hobby was selling on EBay. He was very knowledgeable in old records and enjoyed finding collections and researching them. He once sold a 45 rpm record to the Rock and Roll Hall of Fame and received excellent feedback. "Don't Cry Because it's Over, Smile Because it Happened" was his favorite quote. Dr. Seuss said it. “ Uncle J.V. was the best Uncle any niece could ask for. He was such an amazing man with a huge heart, and it showed. There are so many great memories, so many stories and lots of laughs we all shared together. He made a huge impact in my life. You will be forever missed, and greatly loved forever and ever and ever.

With so much love,
Brandi
