“ To the family of my favorite teacher of all times I send my heartfelt condolences to your family. She was a very beautiful caring person. When I was struggling in the 7th or 8th grade in 1963/64 timeframe she pulled me aside and asked if my struggles was because of my reading comprehension. She worked with me to overcome my weakness throughout the school year. I am forever grateful to her for the influence she had on my life. I live near Canton, Ga nowadays. If I had known she was living in the Cumming's Georgia area. I would have made it a point to try and visit her if she would have let me. You had a wonderful Mother. If i can ever do anything for you feel free to call me at 678-787-1442. Email:jazebley@charter.net
