

Kristi Peterson

April 27, 1965 - October 29, 2018

Donna Kristin Peterson---“Kristi”, 53, passed away on October 29, 2018, after a 4-year battle with cancer. Kristi loved and lived her life, passionately. She considered herself, above all else, a wife and a mother, with a love for her family that had no boundaries.

Kristi grew up in Seminole County, and lived the last 19 years in Oviedo, FL. She graduated from Lake Howell High School where she participated in the Silver Regiment Flag Corps, the last year as Captain of the Corps. She graduated from Orlando College, with a Bachelor’s Degree, as a paralegal, but worked most of her life in sales & marketing. She loved direct contact with people and particularly enjoyed the last 2 years, working for Publix Supermarket, in Oviedo, in the Aprons Meals Program.

She is survived by the lights of her life, her beloved husband of 25 years, Eric, and her three sons, Jake, John and Max---Her Parents, John & Donna Chambliss---Her Brother, Dennie Chambliss & wife Catherine--- and her much loved extended family, Sister-in-Law Monica (Peterson) Dubois and husband Zach, and 3 nieces, Valorie, Rebecca & Judith DuBois, and nephew, John Pierre DuBois.

Kristi’s presence, in the lives of those who knew her, was larger than life. She was happy and joyful, even as she went through treatments. She once told some of us that she had 2 paths---Healing or Heaven –and she said both were wonderful. She left us better than we were, before knowing her – and with a goal to live, as she lived, love, as she loved, and have faith, as she had faith.

Kristi’s Celebration of Life service will be held at Tuskawilla United Methodist Church, 3925 Red Bug Lake Road, Casselberry, FL 32707, on Saturday, November 10 at 10:30 AM, with a Reception to follow.

Donations, if desired, may be made to The Methodist Children’s Home, C/O Tuskawilla United Methodist Church, 3925 Red Bug Lake Road, Casselberry, FL 32707.

“ To the Chambliss Family,
How sorry I am of just finding out now of the passing of your wonderful Daughter, LHHS CLASSMATE and fellow co-worker at Barnett Bank. Kristin and I not only graduated together but also worked together at Barnett Bank and she and I were on the same team in Barnett Bank Collections at the branch on Park Ave, in Winter Park back in the day. She was a great business partner and I pray for your healing during this time. Regards, Bill Norton

“ This is a tribute to a real life hero.

You fought, although the battle was already decided against you.
You laughed, although all the world looked grim.
You stared into the face of death and challenged its hold on your happiness.
You stood when others said you couldn't.
You embraced life although it was slipping from you.
You would not take no for an answer.
You loved passionately, laughed heartily, fought tenaciously and when you left us, you left peacefully.
We love you and we miss you.
You set an example that I will never forget and in your death, you showed us the real meaning of life.

We will never forget you, Aunt Kristin. I am so glad that you are no longer in pain. Cancer tried to break you, but it didn't and you got the last laugh.
I love you. I miss you.

“ I knew Kristin from Hallmark and then reconnected through my numerous shopping trips to Publix, always happy to see her at the Apron's area. Kristin was always happy to talk and I loved her sense of humor! I know she loved her family so much and I am truly sorry for this tremendous loss. She fought a tough battle and I hope her husband and sons can take some comfort in knowing she will always watch over you. God bless you Kristin.

“ I am happy to be able to say that Kristi and I were very good friends and I will miss her greatly. My name is Neil Gallagher and I live in Oviedo. I met Kristi through her cooking at Publix and that became part of my daily bike trips around town. If you haven't heard yet Kristi was a very good cook and I think will be very hard to replace in her job there. As we got to know each other I found out her great love of her family and how proud she was of her husband and three sons. She revealed to me that she was under treatment with her cancer and I ended up helping her in researching various natural and new treatments that were being tried and discovered. Kristi was an amazingly tough lady who would get her radiation or chemo treatments and still show up for work. She would tell me of her treatments but was very light on complaints. Her attitude was always a positive one and I admired her very much as being a very good and special person with a very big heart. I want to send my sincere regards to Kristi's husband and children who I am sure are missing her tremendously now. I lost my own mother to cancer a few years ago and know of what you are now feeling and going through. Try to take comfort in the thought that all of the pain and suffering is now over for your wife and mother and she is now in heaven watching over you all and keeping close to you still as you continue on in your daily lives. There will come a time when you will all be together again as I will with my own mother and father someday. Your mother was a very special person who will be missed very much by all who knew her well. My prayers go out to all of you that God will give you the strength to get through this tough time of transition. Neil
