“ I am so sad about hearing that Peg is no longer with us... I heard about it today, actually on her birthday...
While I was a seminarian in Sts. Peter and Paul she always gave great advise and welcome me into this beautiful community... it was home thanks to her, the staff and the parishioners.
As part of the CCW she always sent notes of encouragement and prayers + plus the Cookies... don't forget the cookies :) it was great to know that someone was praying for me while in seminary. I will remember her tomorrow in mass and I pray for the family. I give thanks to God for allowing me to meet such a great human being.
Blessings

“ Dear Wayne and family! When someone close is hurting, we search for things to say, or any little gesture to help them in some way. For, though we can't heal sorrow with Friendship's gentle touch, we do our best to let them know we care so very much. Blessings, Love and Prayers will be with you all. Hanna

“ Wayne and Family I can not even to begin to express how sad I am to know this. Peg was a wonderful friend for many years while I lived in Casselberry and attended St Peter and Paul and CCW . We always had lots of fun especially during rummage sale time. Then there was the long weekend trip to condo (I think it was) in North Carolina with her, Denise , Mary and myself playing Hand and Foot and laughing the entire weekend because it was raining and we did not go sight seeing or shopping. She will be well welcome in heaven by those gone before her--both Mary's , Gerry and Millie and the laughs will be heard all over heavens. May she rest in peace. Hugs to you all./BarbaraDAmato] Lakeland

“ Dear Wayne and family, we were shocked to hear about Peg and will miss her at 5 o'clock Mass. Having our little gathering by the back door is a cherished memory. Peg was one of the nicest people we have met in life and the world won't seem the same without her.

“ Dear Wayne and family,
I can only imagine your feelings of loss and there are no words to express the sadness. Peg was one in a million. She was someone who always made the time to listen and to help. She helped me years ago with New Dawn and even more recently when I needed a reference for a job. I will be praying for you all as you go through this devastation.

Peg, the world is a much sadder place without you in it, without your smile and your laughter. Thank you for allowing me to be a small part of your life. May God bless you now for the wonderful example of His love that you are.

Love and prayers,

“ Wayne and the Boys,

We haven't been together in many years but when we lived in Garden Lake Peg was my go to person. She loved games and everything to do with having fun. She even got me to play Bunco which I hated. LOL. Rest in Gods Peace Peg.

“ Our Condolences to the family. Praying for God to wrap his arms around all and comfort them at this time. Peg was a wonderful friend and neighbor. She had the patience of a Saint. I remember when computers came out Peg teaching me- Boy she sure had patience. Peg was a very Godly woman and so happy our paths crossed in lifes journey. Our children grew up together, PTA we were involved in Red Bug Elementary. Peg was a very caring woman and shared and helped anyone she could in need. We were neighbors in Winter Park. Have great memories and Peg would gather us all up and we would head to Webster Flea Market. Fun times. I don't think I ever saw her mad. Always had her smile and can do and will do attitude. We love you Peg and you will definitely be missed. I will look up in the skies for your shining star. Until we meet again. Rest in Peace Peg.

“ Dear Wayne and Family, there are no words to describe how saddened we are to hear that Peg is gone. She was the kind of a friend like no other, kind, comforting, and understanding. I admired her for so many reasons, and we had some good laughs together. Her wit and sense of humor were always top notch, and she knew the rules and regulations, and bylaws of our CCW organization like no other. How we will function without her, I don't know!, may you find comfort in knowing she is at peace, free from any more pain, and with our Lord. We will see her again! our prayers for you and family. Love, Michele and Fred
