“ Mary led by example. Mi Casa Su Casa. Her home was my home when I was hanging out with my dear good best friend Michelle. As a teenager, I was also welcomed to tag along with the family to Bike Week in Daytona and for many visits to Rosie O'Grady's Good Time Emporium in Orlando. At Mary's dinner table, I wined and dined on fondue with classical music and candle light. At Steak N Ale, I was treated to my first taste of prime rib with French onion soup. We watched movies at the Cinema tavern shared pitchers of draft and pub food. The 94th Aero Squadron at Orlando's Executive Airport we dined finely. I loved hearing about Mary and Norms travels abroad and their local foodie trips seeking out Mom & Pop type places. Over the years when we would see each other Mary always asked about me and my family. She was well rounded, straight forward, had a great sense of humor and was always kind. I believe Mary's lasting legacy is my most generous and compassionate friend. Mary will be missed immensely and I fondly cherish the memories. May the good Lord's Peace and Blessings be with all her family and friends. Much love and prayers ~ Donna Roche and Family
