“ Miss. Miriam was one of the strongest women in my Life growing up. I was never going to be a Prima Ballerina however my passion for teaching came from both M&V. The kindness Miss Miriam showed to me I am unable to put into words. Although over the years our paths have been in different directions the lessons I learned from her both on stage and off shaped the women I have become. Strong and Independent. I will always Love and miss you. FAREWELL My Friend and Mentor.

“ Ms. Miriam's passing will definitely create a void. Her passion and intensity were beyond question. She recognized talent, appreciated effort, inspired devotion and continually sought perfection. I know her commitment to dance and art will continue to evolve.

“ Miss Miriam will always be in my heart. No matter what she was going through or if she has a rough day, she always thought of others first. She would always send me a thinking of you card every month. I do not have all of those cards anymore, but I do have a few of them and they will be cherished and put in the Bible that belonged to my Grandma as they will be very sacred to me. My very sincere condolences go to Ken, Valerie and the whole family. We love you Miss Miriam and will be missed very much.

“ Fifty One years ago I started taking dance with Ms. Miriam and Ms. Valerie. I had a child and continued to dance as an adult and when my daughter was a toddler enrolled her in classes. We still sing the "its a hap hap happy day" song that she danced to in her smiley face costume so many years ago. Ms. Miriam taught me so much about dance and proper technique. I had the pleasure of dancing both ballet and jazz with my daughter until she was 16 years old and I credit that to the two of you for instilling a love of dance in both of us.

I can never thank Ms. Miriam and Ms. Val enough for the gift of great posture and balance. All these years later I am most thankful for those two things. I will always remember her telling me to pretend that there was a string coming out of the top of my head and that someone was pulling me up tall. My heart is sad for the loss of such a wonderful teacher.

Ms. Val I know you probably don't remember me but I have never forgotten the two of you and the wonderful moments that came from dancing. You have spent a lifetime

working together with your sister and I know your heart is heavy. I hope you know that Ms. Miriam's spirit will live on in the hearts of all the people whose lives she touched and she will never be forgotten - for as you can see 51 years later I am saddened by her passing.

My heartfelt sympathy to you and your family.
