“ I have just read the passing of Pam and was immediately heartbroken. I knew Pam in my late teens and she was a very special person. Kind, loving, and had a gentle beautiful spirit. My condolences go out to all of her family and friends. She will be missed.

“ There are no words to dull the shock of Pam's passing. She was a wise and pragmatic advisor who always provided invaluable support in the world of LHH Legal. Moreover, she was the consummate role model for professionalism, optimism and kind-heartedness to all who had the honor of working with her. Pam's imprint will be carried forward. My heartfelt and deepest condolences to Pam's family. Respectfully, Cynthia A. Doucette.

“ Pam was always so gracious and helpful. I was stuck at immigration on my way into Canada one time and she was sending documents and all to bail me out. She was always a joy to be around. Will be greatly missed.

“ I had the pleasure of working with Pam at LHH. Simply, Pam was a wonderful soul. She was always thoughtful, kind and had a wickedly fun - and sometimes a refreshingly irreverent - sense of humor. To her family, please know that Pam had an incredible impact on the lives of the individuals whom she touched. Her memory and her spirit will forever live on and will bring a smile to many.

“ My thoughts and prayers are with Pam and her many friends and family. Even though regrettably, I have not seen or talked to Pam in many years, a big part of me will always miss her. Pam had a wonderful heart and we had some wonderful times together. Like many others who were blessed to have her in their lives, Pam was there for me when I needed her the most.

“ Pam was a remarkable colleague and even better friend. Her loss is tragic and heart-breaking and I am so lucky to have known her and have my wonderful memories of the times we shared.

She brought light into any room, was vivacious, authentic, fiercely intelligent and moved through life with grace and kindness. She laughed, danced and cried with me and always had my back.

With her passing, as an organ donor she has already saved lives, even in death her generous and beautiful soul keeps giving. What a privilege to have know her!

I will miss her deeply. I extend my condolences to her family, friends and loved ones.

Rest in Peace my beautiful friend.
