April 19, 1957 - February 4, 2021

Patricia Palinski, age 63, of Orlando, Florida passed away on February 4, 2021. Patricia was born on April 19, 1957 in Toledo, Ohio, the youngest child of John Anthony and Helen Frances (Rzonca) Palinski.

She received her bachelor of science degree in dairy science from Michigan State University. She was an avid cyclist, and completed her first century ride with the MSU cycling club. She was a musician who enjoyed playing violin and piano for her church and family. She dedicated 16 years to being a homemaker, raising and homeschooling her three children. As a lifelong student, she spent much of her days continuing to study her passions: the Russian language, classic literature, history, natural science, and the Bible. She filled many notebooks with her personal notes on the scriptures. Patricia had a love for nature, and was most at home outdoors spending time by the beach, in the forest, or walking the trails. She was known for her witty and sarcastic sense of humor, and for being a wonderful conversationalist, with her broad knowledge on many topics.

She was preceded in death by her parents and is survived by her daughters Emily Heck and Isabell Wilkinson, her son Henry Heck, her sisters Kathleen Palinski and Joan M. Palinski, and her brother Paul Palinski.

“ I remember the wonderful times I had with Patricia, Joan, Paul, Kathy and Aunt John and Aunt Helen in their home in Lambertsville Michigan, which was located at the end of a gravel road. That property was magical. Patty was my ally there and showed me a short cut down to ravine, the family’s private river which I longed to see each morning at breakfast as it gleamed with sunlight through the kitchen window. I was not supposed to play by the ravine in case I fell in it. Of course I did play there and did fall in—and then spent the better part of a day trying to dry off my clothes so my mom wouldn’t see my muddy shorts and shirt. Patty helped in that effort and she did so with a rye smile on her lips and a twinkle of bemusement in her expressive eyes. There was always a unique kindness and soulfulness to cousin Patty, something that one could sense even as a small child. And ohh how she loved Buck and Flame and the family’s other dogs and pets. God’s Speed cousin Patricia—Love Jennifer and Steven.
