“ A privilege and an honor to have known Paul and Char. A good man who loved and treasured his God, his family and his friends. I loved his joke telling in his "Norwegian" accent.
He will be missed!!

“ Paul was my first dentist! A nice guy and loving husband to my cousin, Char. Russ and I loved seeing Paul and Char in Iowa when we were visiting in 2006 (I think!) We talked basketball and had a great time together. May his memory be eternal! Prayers for the family, Sandy (Arneson) & Russ Harrison

“ Uncle Paul was a kind man with a great laugh and a warm heart. He was also my first dentist. I never understood why people were afraid of the dentist. I loved going to see Uncle Paul! May his sweet memory be eternal!

“ Mary

Thanks for the kind remarks. As you stated, he was an amazing dentist. The first time I had to go to someone else for dental work...I realized 2 Key points

1- waiting rooms are for the birds! Never had to sit in one before

2- he was really good and what he did . Also a forward thinker in his craft . Always a leader in dental innovation .

Thanks again

Bill

“ Paul was a very good guy and a true basketball fan (though I think Char was even more so. They loved their Iowa Hawkeyes. For a number of years he was an active participant in our SMMG. I am sure he and Char had a joyous reunion. RIP Paul.
