“ Raynell has been a blessing to me. I had the honor of visiting with her at both the hospital and rehab facility. Each time, she lifted my spirit. Her faith in God was strong and now she has been rewarded to see her Lord face to face and will be in His presence for ever. She had this blessed assurance and it manifested itself in her sweet spirit.

“ My Aunt Raynell was a very sweet lady. She always smiled at everyone and was so kind.

She went home to be with the Lord on Monday, August 1, 2016.

The comfort we have is knowing she is not suffering anymore and where she is spending

eternity. She is not struggling for her next breath.

James and I love you so much Aunt Ray. We already miss you and the good times we had. I already miss your special laugh and your buddy will miss not having you to pick on.

You went through so much these last few years. I'm so glad I was able to lead you to

the Lord last year and see you baptized. It was such a blessing to do that with you. We will have so many great memories to look back on and cherish them.

We pray that through all the sorrow there may be someone who will come to know our Savior like you did and then they will be sure to see you again in Heaven. I know you would want that.

John 3:16

Love you and we will see you again.

Your niece,  
Glenda Futch
