Obituary of Reinaldo D. Gallego

It is with great sadness that the family of Reinaldo De Jesus Gallego announces his passing due to long endured health complications, at Advent Health Hospital Altamonte, on the evening of Thursday, September 5, 2019, surrounded by his beloved family, at 71 years of age.

Reinaldo will be lovingly remembered by his wife of 36 years, Luz Emerita Gallego of Lake Mary, FL; and his children, Andrea Gallego-Patrick, her husband Michael Allen Patrick, and their son, Michael Aidan Patrick, of Sanford, FL; Leandra Angelica Gallego and Fiance Philip Penley of Lake Mary, FL; Jazlyn Gallego of Lake Mary, FL; Consuelo Patricia Gallego-Yepez, her husband Charles Yepez, and children Christian Carter Yepez and Rita Carina Yepez, of Queens, New York. He will also be forever remembered by numerous nieces and nephews, cousins, in-laws, extended family, friends, and neighbors.

Reinaldo was born in Abejorral, a small village in Medellin, Colombia on July 14, 1948 to the late Ulpiano "Tano" Gallego and late Cayetana "Tana" Cifuentes. He was one of twenty-one children, and although the family was large, they were always very close. He is now reunited in heaven with his parents, brothers, and sisters who've preceded him.

Reinaldo was a devoted husband and father. He enjoyed fishing, gardening, and nature. He was a business owner, who worked tirelessly to provide his immediate and extended family a better life. He was a man of relentless faith and was a living testament that miracles happen. He was passionate, thoughtful, humorous, talented, and immensely generous. He will be deeply missed by all who knew him.

“ The Patrick Family enjoyed the many times at the Gallego Family Home for Holidays especially the Family Dinners and enjoying the conversations and just being with loved ones.

Linda and I and Our Family felt like we were adopted into the Gallego Family and Rey made me personally welcomed during our personal conversations.

My most memorable memory of Rey was at the wedding of Andrea and Michael where during Rey's speech with Andrea and Michael arm and arm Rey kissed my son Michael and said -

“ I have a Son now “ !!

May He Rest In Peace

“ I love the Gallego family so much and Reinaldo was such an important part of my childhood and young adulthood. He was such a presence, a leader, someone that always inspired you to do better. He would always greet me with such a warm heart and always gave me a boost of confidence. Reinaldo was a father figure to me and made me inspire to be a better person, I could not put into words how much he meant to me. I hope one day I could have the values he held and inspire others and my family as much as he did. He truly left a legacy with his amazing wife and daughters, whom are all amazing people. I know the world lost one of the good ones, but he will continue to inspire me and live on through his beautiful family.

Love,

Nell
