

Mr Richard Paul Litter

November 30, 1932 - July 25, 2016

Richard Paul (Dick) Litter, 83, was called into the Lord's arms on July 25, 2016, with his family by his side in Altamonte Springs, Florida.

He was born November 30, 1932, in Windsor, Connecticut, to John and Gertrude Litter. Dick grew up with his older brothers, Jack and Don and as each one turned 14 they began working in the tobacco fields. The family tradition was spending their summers at Westbrook, CT. He graduated from Loomis Chaffe High School and graduated from Oberlin College in Oberlin, Ohio. After college, he moved to Fort Lauderdale, Florida, with his best friend, Pete Mankias to run the family bowling alley. He took a change of careers and began working as an underwriter at CNA Insurance in Winter Park, Florida, where he built his career for 40 years. It was at this job where he met his wife of 49 years, Lila DeVault. They settled down in Altamonte Springs, Florida, and soon were blessed with two daughters, Tina Marie and Julie Anne.

He was an active member of Saint Mary Magdalen since 1965 and volunteered with the church visiting homebound and assisting with the many needs of neighbors, friends, and church members up until the end. Dick and Lila provided a home (aka The Litter Lodge) where everyone was considered family. Dick never liked to stay still and his passion for helping others brought comfort to countless people. Dick was often described as a man "who you loved at hello." He loved being outdoors and he and his wife spent many weekends boating or water skiing with their friends, Woody and Angela Powers. Dick's friends Wayne Strickland and John Kelly had a tradition of taking all the children trick or treating and their annual fishing trips together on the St. Johns River were an experience to say the least.

Dick was blessed again with two granddaughters who absolutely adored their Pop-Pop. He relished at planning great vacations for his family and always coming up with the most fun and adventure for everyone involved. Truly a family man, Dick put everyone's needs first and was deeply appreciated and loved for his God given gifts.

He is survived by his wife, Lila; his daughters Tina Litter and Julie Shelton, his two

granddaughters Brianna and Ashleigh Shelton; his brother John Litter and his wife Carolyn Litter; his 2 nieces and 2 nephews; 3 great nieces and 2 great nephews.

He was preceded in death by his parents John and Gertrude Litter, his brother, Don Litter; and his great niece, Katie Foley.

The family will be receiving friends from 6:00 to 8:00 p.m. on Friday, July 29, 2016, at the DeGusipe funeral home in Maitland followed by funeral service Saturday, July 30th, 2016 at 2:00 at St. Mary Magdalen, Maitland, FL. “ Dick and I met in Zoology Lab our freshman year at Oberlin College. They paired lab partners by last name so Litter and Linden was why. In November I told him my birthday was soon and he said mine too. Come to find out it was the same day 11/30/1932. We became good friends and I spent a summer living with his parents when I got a job in Hartford after our senior year. I travelled to Florida about once a month when I worked at Lockheed- Martin and got to see him and Lila a lot. I had just called him less than a month ago. A sad day for me. Love and prayers to you Lila and the girls.

“ I knew Dick on a professional basis. We first met in 1981 when CNA transferred me to the Orlando branch office. Dick was one of the most knowledgeable commercial casualty underwriters I've ever encountered. He was an enormous help to me and I learned so much from him. He had an unassuming way about him. I soon learned that when Dick answered an underwriting question by saying “I believe such and so” in reality he knew exactly what the answer was. In addition to being a valued employee, he was a genuinely nice guy. Our sympathies to his dear family. Bill Mahar

“ I've known Dick & Lila for over 50 years. They lived next door to us in 436 when 436 was a beautiful 2 lane road with a side walk down the middle. I use to baby sit for Tina when she was a baby. My fondest memory of Dick is a funny one. My dad standing in the kitchen started laughing, it was Thanksgiving day. Mom looked and said ah Dick go help him. There was Dick trying to climb up the slope from the lake and not very successful at it. So Dad went out and helped Dick up from the lake. Dick

wasn't feeling anything then but Dad said he would be feeling it the next day! Dad and Dick often laughed about that day and the "mountain" Dick was trying to climb. I love you Dick Litter, you had a kind heart with a good sense of humor. Peace be with you.

“ Dick was fun and so caring about other people. We met him through Carolyn and Jack and although we only met him on a few occasions we felt as though we had known him a long time. Our thoughts and prayers are with his family.
