“ Bob was a neighbor of mine for many years. I remember him as a kind and gentle soul who was always there for me and my kids when I divorced. Once I ran out of gas and didn't know who to call. I called Bob and Andrea, my dear friends. Bob was there in minutes with a container of gas, enough to get me to a gas station. He followed me all the way there to make sure I was okay. If I needed anything I could always count on him. He will be missed by me, my now grown kids, Bob's family and friends. Rest in Peace dear Bob

“ My father-in-Law, always had a quick wit, yet was on the quite side. Had much love for his wife Andrea, his children, and his grandkids. He loved Hercules, our dog, and was the unofficial "Dog Whisper" of the cul-de-sac. He made me laugh with his one liners and I will miss him dearly. Until we meet again.

“ My Dad was an awesome father. He was my hero in many different ways. While as a teenager in little league I strive to make him proud each and every game. Because of my parents I never had a real need or want as a child.

It took many's years later in life to truly appreciate the things that you and Mom provided for me. Later in life I could never do enough to truly show them how much that met to me, but I tried like hell.

Dad am so proud to be your son and have your name. I can't same enough about how much you mean to me.

This is hard for me to do Dad.

I LOVE YOU DAD, and I FOREVER MISS YOU
