

Rose Marie Kirkley

November 18, 1930 - April 19, 2021

Rose M. Kirkley was born in the small town of Mt. Savage Maryland on 11/18/30 to Thomas Conroy Campbell and Lillian Eloise Skelley Campbell. She was one of four children - 2 sisters, Sally and Patricia, and Richard, her brother who have all predeceased her.

Rose grew up in very humble and somewhat tumultuous beginnings, which enabled her to deal with whatever life brought her way. She met the love of her life, Earle L. Kirkley (d. 08/05/10) in 1951 at a party at his house in Baltimore. He wrote her number down with a yellow crayon on yellow paper, but somehow they reconnected. They were married in July, 1952 and after a honeymoon trip to Cape May, NJ they moved to Blacksburg VA where Earle was completing his degree at Virginia Polytech Institute.

In August, 1953 in Baltimore MD, they welcomed their first daughter, Diana, followed the next year by Elizabeth in Texas where Earle was stationed while in the Army. They returned to Baltimore where Debbie was born. In 1957, Earle and Rose left Maryland for Orlando, Florida where two more girls, Karen and Patti, were born as well as three sons, Earle III, Bob, and Ken.

She spent many years of her life doing what she did best - being a wonderful mother to her children. She was quite proficient at cooking meals enough for an army, sewing matching clothes, caring for multiple kids with chicken pox, sandwich-making, household management, and planning the best holidays ever! She was a prankster and a confidante to her children and grandchildren. Rose was well known for being a great cook/baker. She even created her own cookbook, "What's For Dinner Mom?".

During her lifetime, she worked off and on as a secretary/administrative assistant in several places. She also spent many years catering weddings and decorating cakes (which were quite popular). But her primary occupation was being a mother of eight children and then three grandchildren, Allen, Bryan and Kevin. All who were raised by her were blessed with her loving spirit, her listening ears, her generous time and her

unconditional caring.

In addition to her family, her life's passion was for her church, St. Mary Magdalen Catholic Church. Her love of the Catholic Church was inspired by her Aunt Mary, a Notre Dame nun. If she wasn't at home she was most likely at the church:

- Attending St. Gerard's Circle meetings
- Serving as an officer of the Circle and Council of Catholic Women
- Organizing craft-making for the Community Fest
- Decorating tables for the annual St. Patrick's Day Luncheon
- Being a Eucharistic Minister – sometimes taking communion to those who were homebound
- Sewing new altar cloths and other miscellaneous linens for church use

Throughout her 58 years as a member of the church, she made long lasting friendships with many women in her circle. If they ever needed anything, she was there for them.

Rose is the last surviving original member of St. Gerard's Circle, which has now gathered in heaven watching over us all.

Rose was always known for her beautiful smile. In her later years, following a stroke, there was not a doctor, nurse, or caregiver who wouldn't tell you about how much her smile meant to them. She experienced much joy in her life due to family and friends and gave as much joy to others. Our mother will be truly missed.

She is survived by daughters -Debbie Kirkley, Karen Kirkley (Jack) Conrad, Patricia Kirkley and sons – Earle (Robin) Kirkley; Bob (Cindi) Kirkley; Ken Kirkley; the grandsons she raised - Allen (Jodi) Gast, Jr., Bryan (Elizabeth) Gast, and Kevin Gast. Other grandchildren include Brendan Best, Don Conrad, James (Ashley) Conrad, Rob Conrad, Earle (Rebeccah) Kirkley IV, Katelyn (Caleb) Knapp, Diana (Anthony) Jeffers, Doug (Sarah) Kirkley, Rob Kirkley, Rachel Kirkley, Ryan Kirkley, Lauren Kirkley, 18 great-grandchildren and a brother-in-law, George (Nancy) Kirkley.

“ Rose led our craft group at St. Mary Magdalen with great ideas and directions. We laughed while we worked and loved being together. I was a member of ST. Gerard Circle as well so I knew first hand how much she contributed to our church. Her stitchery was impressive. But, her laugh and warmth are what I remember. She made me feel included in her wide circle of friends. The Kirkley's were lucky to have such a Mother.

“ Rose was a saint for taking in the 3 grand sons when Diana her daughter passed away of cancer. In Maitland and St Mary Magdalene circles she was held in such high esteem. God rest her soul.

“ I know that smile. She was my dear neighbor across the street from us. She taught me so much. Great recipes. and one day she called me and wanted to know if I wanted to learn about cake decorating. I still have her icing recipe and I even decorated Kelly's wedding cake and once in a while I'd do another cake just to keep my hand in. One time she had a catering job and asked me to ride with her so I could keep an eye and a hand on this huge wedding cake in the back of her station wagon. She was a very careful driver We arrived there early so she could put the cake together and give it finishing touches. Our birthdays were two days apart and I was one year older so I thought of her often. Before we moved away, we had such fun together. I would try to call her during the holidays and it was so good to hear about all the Kirkley's. What a lovely family. My heart goes out to all of you.

“ So sorry to hear of the loss of your wonderful mother, grandmother and great grandmother. Rose and family were neighbors of Bob and Jeane Hodson in Maitland. My greatest memory of Rose was her helping me to learn how to decorate cakes, something I did for many years after her instructions. Our visits to the neighborhood witnessed the growing up of all of her children. May the memories of Rose be with you forever. Bob and Marcia Hodson

“ Marcia, so glad you heard the news. Wasn't sure how to contact you. We had a photo of you and mom in our slide show. :) I'll try to post it. Debbie K.

“ There isn't enough room to share all our wonderful memories due to living across the street from the Kirkley's for the past 51 years! This includes having a supply of wonderful babysitters for our two children, watching the boys play Lacrosse in their front yard, and simply getting to know the best neighbors one could ever have. Rose's dedication to her family was and is a true inspiration to all. Our condolences go out to all the Kirkleys.

“ We will always remember an early snowstorm that occurred while your Mom and Dad were visiting us. Your Mom loved the warmth of Florida and hated snow and cold. Your Dad, on the other hand, made snow angels while wearing a short sleeve shirt. We will always remember your Mom's beautiful smile, her sense of humor and her delicious dinners.
