“ Chris was my best beading buddy. She was always vibrant and happy. She was the most generous person I have known. Her spirit and empathy will be sorely missed.

“ Ginia,
I was sad to learn the news about your Mom. I'm praying for you and your family. I wish that I could be at the service.

“ I was blessed to know Chris since we lived in Goldenrod when we were teens. She was always smiling and loving all her little life. I loved her and will miss her wonderful outgoing and loving personality. Chris was genuine in her love for her family and friends, and brought joy to those that were fortunate enough to have met her. She loved freely asking nothing in return, just as Jesus does us. She is his child and is with him. I wish I could attend service but have strep.. I will be thinking of you Carl and all her children.

Love to all, Cheryl Reynolds

“ I have known Chris since we lived in Goldenrod and were teens together..many years and she was always smiling and never stopped. She had such a loving and giving spirit about her and a crazy side too, that we all loved. I still can't believe that she's gone ahead, and will be missed by all her loved ones. She was a true blessing to Carl and all of her children and grandbabies. She loved you all always. I will miss our birthday calls to each other every year,, she was 3 days behind me. I would like to attend the service Carl and children, but have strep throat, so will just be there in love. I truly loved her and know that Chris is with Jesus and that makes it easier.

Thank you Lord for letting me have her in my life. Cheryl Reynolds

“ My fondest and best memory of Chris (mom) is when she accepted me into the family as a daughter and even though Robert only lasted 21 years she still continued to keep me as her daughter. I love you mom and always will.

“ Chris and I have known each other since we were in grade school. We have been friends for many many years. She was a very special friend, and I will always remember her for as long as I live. As the years go by , they change many things, but our friendship never changed. She was a wonderful person through and through. God blessed me with a special friend. I love you Chris, and I always will. I will always remember the memories of you.
