“ Silkie...my Silkie. You taught me everything I know about insurance. You also taught me to keep my "kitchen" clean. I will treasure our time together and think of you at the Zora Bethune Cookman festival. You know what I mean. Love you always. Rest in peace teacher, funny girl, friend.

“ My heartfelt condolences to the Burnside family and friends. I had the pleasure to work with Sylvia and have often said I wished more brokers were like her. She was a joy and a lovely person overall. May the days be kind to you and may you find strength and comfort in your memories. I am so very sorry. Marla Small

“ Sylvia was a shining star in our lives. Working with her at Westminster Communities of Florida for many years was a true privilege. She was an amazing woman who knew how to share her knowledge with people around her in such a way that they felt empowered. May God comfort the family and friends during this time. We will see you again Miss Sylvia!

“ I am very saddened to hear of Sylvia’s passing and sending my deepest sympathy to all of you. She always had a smile on her face and the nicest, most positive comments to share with everyone in person and on Facebook. She was one of a kind, an amazing woman--wife, mother, and friend. Her presence will be missed both as a business colleague and a good friend. It was always a joy talking and about our children when they attended school together. We were so lucky to have Sylvia in our lives. She will be missed immensely, though I know her light is shining down on all of us. R.I.P, sweet angel Sylvia.

“ All of us at the Florida/United Safety Council are so saddened to lose Sylvia, who was a wonderful friend to our company, and particularly to me.

Sylvia was our BB&T/JRD account representative for many years and she was always so helpful to all of us. As I was her contact at our company, we communicated frequently over the years. either in person or by phone. I can't even begin to express how much I valued her assistance and friendship. Even though Sylvia had many, many clients, she never ceased to make me feel like I, and our company, was most important, and no issue was too trivial for her to give it her complete attention. She sincerely was like a guardian angel and now will continue to be one on a much grander scale. I, and our staff will miss her dearly.

One of my favorite quotes by Maya Angelou is, “I’ve learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel.”

Sylvia always made everyone feel special, and we will never forget. Rest in peace, dear friend.

“ We at Ben's Paint Supply have come to be blessed by the friendship, teacher and healthcare advocate to each of us. She was never too busy or engaged in other projects to give any of us the full attention and follow through with our concerns. We will along with our father in heaven wrap our arms around her husband, sons and coworkers in this time of grief and longing to see her smiling face. Thank you for sharing this lady with us.
