

Terry L. Bradley

January 25, 1955 - July 13, 2016

Terry L. Bradley, 61 of Casselberry, Florida passed away Wednesday, July 13, 2016. Mr. Bradley was born January 25, 1955 in Baltimore, Maryland to Robert and Thelma Bradley.

Terry was an avid NASCAR fan and loved riding his Harley. Before moving to Florida from Maryland in 1989 he enjoyed spending all his leisure time in his boat on Chesapeake Bay. Terry was a kind friend to all of God's creatures and had five cats that he treated like, and referred to, as his children.

He was a solitary man but was a friend to many. His generous heart and quick-witted sense of humor were his most redeeming qualities. Terry's out-going personality quickly won you over. He also had a very strong faith and belief in prayer.

While Terry is now at peace and we rejoice for him his everyday presence is deeply missed.

A memorial service will be held 11:00 am Saturday, August 6, 2016 at the Orange City United Methodist Church, 396 E. University Avenue, Orange City, Florida.

“ I was very saddened to learn of Terry's passing when we received a donation in his honor. I run Back to Nature Wildlife a Refuge and first met Terry when he was participating in our Poker Runs for the refuge. He was a great guy and so very sincere. He always shared his gratitude for the work we do and remained a supporter all these years. Strangely for me he passed on the same day I lost my Mom 6 years ago. He certainly won't be forgotten in my heart and I sure wish he had made it to see Back to Nature's new permanent home in Lake Nona. I will miss the cards, chats, the smiles and the bear hugs you always gave me when we would see each other. Rest in peace my friend- and say Hi to my mom! God bless you Terry!!

“ My dearest friend Terry, I'm so sad that Our Lord has called you home. I'm sure that you are in a wonderful place and no longer in pain. When I met you 19 yrs ago at an online poker table, I had no idea that you would become such an important person in my life. You were so sweet, funny, and caring and you stole my heart away. I will forever cherish our friendship. I feel honored that you wanted Shiloh and Jenna to live with me. They are doing well (as I'm sure you already know) and I will take good care of them. They are a daily reminder to me of you and your love of animals. Rest peacefully Terry. I love you and I will miss you so much.

Hugs and Prayers to Mom Bradley, Barb and Kim. I'm so sorry for your loss.

“ I am so saddened that my good friend Terry has left us. I know he is in a better place, with no pain and will serve his Lord well. He will make a wonderful Angel in Heaven. I have known Terry for about 25 years and he was always the most decent and honest soul. He loved life and animals and did wonderful things for animals that were homeless. I hope his furbabies find kind homes but mostly I pray that his Mom and friend Barb can work through the pain of him not being here on earth with them. May you rest in peace Terry. We love and miss you.

“ Terry we were neighbors for 15 years and became close friends I will miss you but I know you will always be close by to let me know when my sidewalk needs to be washed and also at Christmas telling me it time to put up lights. We didn't agree on the same race driver or make of cars as you like Chevy and I am a Ford person but that was something we always yell across the street about. You took another check off my bucket list taking me riding on your Harley you was and will always be a dear friend and will be miss in so many ways. I love and miss you but glad you are not in no more pain.
