“ Walt Willis was one of the most competent and generous men I've ever had the opportunity to know and receive tutelage from. A true leader, a true mentor. He made me a better person, just knowing him.

Walt was the kind of man who could accept criticism in those rare instances he has mistaken, more often however, he could suggest a better way to achieve the best possible result.

God bless you sir, and your entire family.

Rest In Peace.

Penny, Linda, Jim and Diane, my deepest sympathies for your loss.

“ Dear Willis family. We have moved away and only just heard of Walt's passing. You have our sympathy and Heaven has a true angel.

Walt Willis put service to God and others above all. Everyone who knew him was overwhelmed by his kindness and passion (and strength). I loved him.

Walt fed Central Florida's seniors' stomachs with food and their hearts with friendship and conversation to help alleviate some of the loneliness he knew they were feeling. He provided transportation to doctors' appointments and solved other one-off problems in any way he could.

Walt changed so many lives, including mine. I shall always remember Walt in the way he ended every conversation - with a smile and the words "Have a better tomorrow than today. "

“ Brian and I did not get the pleasure of meeting Walt, Penny, and family until the end of 2015, when we started visiting to bring Walt and Penny communion from St. Peter's. We knew they were loved by many at St. Peter's and the Diocese of Central Florida, and we quickly found out why. Even though we would visit to minister and listen to Walt, HE ministered to us, even when he did not feel well! He always wanted to know all about our lives and found a common bond with us because he and Penny used to be Lay Eucharistic Visitors. I am studying for the diaconate, and Walt is my role model. He was so devoted to the Lord and His work. Diane and Linda, we are grateful to have had the opportunity to have walked with you and your mom at this most holy time. You and your dad blest us. Shalom.

“ When Karen and I first started attending the 5 pm Saturday service at St. Peter's 10 or more years ago Walt and Penny were probably the first people to speak to us. It was because of the welcome they made us feel it was easy to realize we had found a new Church home. Penny we hope you know we will do what ever we can to help you through this difficult time.

Love,

Robb Fiedler and Karen Keplinger
