“ I remember Abbie very well from Northside High School Band program. She was always such a sweet, pleasant and friendly young lady. Her skill with the flute was a definite asset to the band. Was so much fun on band trips and I know she will missed tremendously by her family. My thoughts and prayers go to her family. Far too young to leave us.

“ One of my most favorite memories with Abbie. Was when the 3 of us Abbie, Gabby and I went to Bank of America to open up an account for work and the lady asked me if they were both my daughters and I had to say no but in my heart the answer was YES. The 3 of us went to Halloween horror nights and they made me wear 2 arm sleeves with tattoo's and a witches hat. Everybody kept looking at us and I'm pretty sure people thought I was nuts. But we all had the nicest time. We have always thought of Abbie as a part of our family and always will.
