“ *Never going to forget my Uncle Abe and his fascination with nature and adventure. I'm going to miss his kisses in my neck when he'd come over. He endlessly and effortlessly loved my daughter, my husband, and even our dog Riley. I'm always going to carry the memories of you coming over with Mommy and us all binge watching Euphoria and 90 Day Fiance in my heart. That couch to the right is always going to be your spot Tio.. Take care of us all up there.. - Brianna Marie*

*Abe, you'll stay in my heart like a son. You're gone to sleep with our father that your soul can finally be able to rest. You spent amazing times with my son Randy who will never dry his tears for this lost. Along with his brothers who too have passed too soon. We have a special place in our hearts for you and your family's. God bless , rest in peace. Momma Trudy.*
