Tribute Wall

“ *Addison,*

When you were born, you looked so much like your Grandfather Jack. You were so sweet and that smile would like up a room Your mother and father were so in love with you and it truly showed. What is now comforting is that you are now with your Grandfather and your Mother having the best time in Heaven. I love you and will keep you in heart always.

Love your Aunt Kathleen.

“ Words can not express the sadness in my heart for you, Kellie, & the entire family. I remember when you named Addison after Bruce Willis from Moonlighting. A beautiful baby was born. He will be missed dearly but we all will see him again & you know Kenny is taking care of him. I can hear Kenny now! You all are in my many prayers. Love xoxo

“ I can remember when Addison was first born and all of us were in wonder that one of our brothers from a different mother was old enough to be having kids. Welp it didn’t take long for some of Steve’s (aka wheat hopper) goofy friends to come up with the nickname of Cream of Wheat ! Mimi and I send our deepest sympathy and love to all of the Bishop family. We want to believe that as long as there is love and memories in our hearts of those who go ahead of us that a piece of them shall live on.

*Steve, Kellie, Taylor and Hunter,
My love and prayers go out to each one of you. It is an unbelievable thing to go through as parents. But find the comfort in knowing Addison is at peace and suffers no more.

Sorry for your lost, I use to work with Addison back in the day at the Carwash. Addison was a great guy to be around with. May he rest in peace.
