“ I truly enjoyed our talks and chit chats. Each time I saw her I gave her a huge hug and my heart breaks that I didn't realize my last hug was the last. I was a day short of visiting her in the hospital. She was a strong willed and beautiful inside and out . She cared for so many and put herself last. She made an impact on my life and she will stay with me forever.

To my dearest friend, ADRIEN. I have just learned of your passing, one day after my birthday. I am utterly heartbroken. I saw your picture and gasped. No! No! Not my true-blue friend...Life is so cruel. I can say that you were one of my favorite people on the planet. Tough as nails, because you had to be, I know. So many memories. Most great. Some sad. I love you, my friend. I regret that we were not on speaking terms when you passed. Heaven is so happy you are Home. I will talk to you for the rest of my life, in my prayers. You will always be in my life. I love you, amazing woman, friend, mother, warrior. CHRISTIAN. Love, Kelly
