“ Dear Sis, you were the best of my childhood. You taught me to tie my shoes and tie a bow. You baby sat me a lot and let me tag along with you and your friends. I don't remember your yelling at me, so even though you called me "a pain in the ass", I thought that was a term of endearment. I fondly remember us frying chicken at Mom's on your wedding day. I don't know if I ever told you how much I admired you. You will be missed.
I Love You, Evelyn

“ We want to express our heartfelt sorrow at the passing of our dear friend "Tet" as we affectionately know her. What a warrior she was at all events, whether it was a ballgame, birthday, wedding, holiday, or just quiet conversation among friends. She will be sorely missed, although we can be happy knowing that she shares her heavenly home with those gone before her. Rest in peace friend---till we meet again
Love, Bill and Linda

“ *Pap, Kathy, and Bev, You have wonderful memories that no one can ever remove. I knew Tet as a loving wife, mother, grandmother, great-grandmother and friend. She always greeted my family and me with a smile and a hug. What a great cook! Always wanted family to be near her, and the family enjoyed their time together. I've seen her tired to the bone but if there was something that needed done for her family she was all in. Sincere sympathy, Jerry and Donna*

“ Dear Al, Bev and Family,
Please accept our deepest sympathy for the loss of your loving wife, mother, grandmother and one of our dearest friends! We enjoyed so much when our families would get together for holidays, celebrations and special occasions! We will always remember the good times, the laughter and Aggie's specially prepared food dishes!

Since moving to Florida a few years ago, we really got to know Aggie and Al and their past stories from life in Ohio and our similar stories we shared about our roots in PA.

We will miss Aggie but the memories will last forever!
God Bless You All,

“ *What I remember most about Mrs. Elekes is her smile and her generous heart. She was always offering me food and drink. She made the best kibba and kusa. (I know I killed the spelling.) She was such a fun person. The last time I saw her in May, even though she was in pain, she asked how Danny and I were and encouraged Mary Ann and I to have a beer and go and have fun. She saved seeds from Kussa and gave them to Danny so he could plant the kussa because she knew he liked it so much. She was always so thoughtful. She will be missed. Our thoughts and prayers are with all of you.*
