“ I always thought of Agnes as a great Lady, Always perfect in all she did. I met her in the late 1940's while attending a dance that she and Tommy were at. I was dating another Weber brother. We both eventually moved to CT. She was by far the nicest person and the best addition to the Weber family. I am sure that God has a welcome place for her in his Heaven. Nancy

“ Our sympathy to Agnes's family. She will be greatly missed by many. We had the privilege of meeting and spending time with Agnes in the Heathrow R&R Club. She was such a pleasant and sweet lady. We enjoyed her company and we will miss her. May she rest in peace.

“ Joan,
Though I only knew mom for a short time, she warmed my heart. She had a wonderful daughter a testament to her achievements. I am certain she is in a better place. Take comfort that she was able to make the choice for herself and knew that she would go to Our Lord. Best to you and to your whole family. I am here for anything.
