“ *To my loving cousin Angel, his sons - my cousins Eduardo, Javier, Manuel and Ricardo and the rest of the family- although no words can really help to ease the loss of our Dear and loving Aida, just know that you are very close in every thought and prayer. We are praying for Faith to uphold you , comfort and peace to come to you and loving memories of Aida to help you smile again. She will never be forgotten, I promise you. We know that God will be with you in these difficult days, just trust him. Your cousins Santita, Maxi, Giselle and Max Giovanni*

“ My family has known Aida and her family for many years. I will always remember seeing her at family gatherings which we are always invited even though we are not family. Aida invited my family into her home on one Thanksgiving to share the family dinner. I have formed friendships with her children and others family members. To all family members We sympathize with your great loss. You can count on our prayers in this difficult time.
