“ *I didn't know Mrs Imbesi personally but I know one of her daughters. Cathy loved her Mom and it show in her actions. Not only did she love her Mom but she built a wonderful relationship between her children and their Grandmother. Even the family dog was part of this wonderful relationship! My sincerest sweetest wishes goes to the family at this time of loss.*

“ Thank you Mrs. Imbesi for introducing me to ricotta cheese! How did I live 15 years without ever eating ricotta cheese? Thank you for teaching me the importance of drying counter and the sink. Thank you for the pool days, the Disney trips, the sleep overs, for always saying "LaNay you are such nice girl" and meaning it. Thank you for being such a big part of my teenage life. I was truly blessed to have you in my life. Most of all thank you for giving me my beautiful, amazing friends, Cathy, Vincent, and Denise.
