“ Akhtar was always the bright spot in our day. She would wave to us when she sat on the porch or wss busy walking. She was a beautiful lady with a beautiful heart. Although we could not understand each other except for basic words, we would have great discussions and end it by telling each other that we loved each other. Love is the language that conquers all. Our deepest condolences. From Allah we came from and to Allah we return. may Allah give her the highest in Jennah, Ameen.
