“ To the family of Mr. Barton...Don't think of him as gone. His journey just began. Just think of him as resting in a place of warmth and comfort. Think how he must be singing with the angels and loving begin with his family who are already there. He will be waiting of us all in a very short time. You are in our prayers and our heart at this time. John and Cathy Cornelius

“ Please accept my sincere condolences! May God console you during this difficult time! Revelations 21:4 mentions “And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” We can confidently look to the future when Jehovah God, the Giver of life, will bury death forever!
