“ Hi my name is John Bliley. I was a friend of Alan in the late 1970s and early 1980s. I was in the local SCCA club doing auto crosses, which Alan drove his Camaro, and both of us built a drag car for Thompsons in Ohio. Alan went to Gannon and we both worked at a gas station in downtown Erie. I really enjoyed working and racing with Alan. I knew he moved out of town so so never looked him up, but I thought of him, and just today (8/14/2024) I thought I would search his name and I'm sorry to see that he passed away. I wish I would have checked out much earlier than I did. Please accept my condolences. John Bliley. Blileyj248@gmail.com
