“ Dear Robert David and Felicia

As you know your mom was so full of life so it's hard to believe she is gone.

She was so up to the minute in all things

Her exercise

Her love of music

Her passion for real Christianity

Her fierce love of her children and grandchildren.

The Photos she so proudly displayed were family and she was so proud of all of you.

God bless you all so sorry to see this so late.

My prayers for your family.

“ Today I attended the funeral of my beloved friend, Alba Fernandez. I still can't believe it. In life as in death she looked absolutely beautiful. The stories shared by friends and family were honest and true. We could all relate. Her heart was visible for all to see and she opened it up to everyone who had a hole to fill. She WAS "Every Woman". RIP darling lady. 🤍🤍

“ I laughed all the way home the day Felicia, Alison and I went to Flanagan's in Winter Springs to enjoy some music, drinks and dancing to rock music! I cannot tell you why I laughed so hard, but Felicia and Alison might remember. Good times, fun times and funny as heck!

“ *We met in the 7th grade and quickly became best of friends and our friendship has spanned for over 60-years and has truly been a lifetime of love for each other and her sudden death has left me devastated. There was no chance to say goodbye and no chance to prepare but I have no doubt that our thoughts, love and feelings for each other are beyond words. One day she was healthy and happy, and the next day she was gone, but we have all the memories shared during her lifetime and these memories can never be erased. I will always remember one time we "borrowed" her father's car for a joy ride and then hid under the covers when the cops rang the doorbell and told her father his car was in the middle of the street! Not always angels, but always best of friends and always had each other's back.*

She was always there for me in good times and in bad times with kindness, honesty, a great listener and never judging me. She will be missed, and always remembered with a smile on my face.

My sincerest condolences to the family and I want you to know that she will always be Bunny to me.
