“ *When I first started at the WSJE in 1991 my manager at the time, Anita had me daily put the paper in the pouch and address it to Al Halley in Chicopee. I never knew who Al was then but I did know he was someone important. I first met him years later in NY and it was very clear he was an important team member who carried with him years of experience. For me Al was also a mentor who helped me navigate the wonderful world of ad services. He was also, as I am a vet who served his country. Knowing him was a privilege and he will be missed.*

Sincere condolences to his family and friends.
