“ *Dear Mr. Mannella (as I still called you), Thank you for all of your care and support for me and my children over the years. We appreciate you now and always! Thank you also for 40 plus years as acting as your personal Admin Assistant – I smile as I think of all the good times together and also the battles when we fought! We always had honest conversation and I will miss chatting with you in the future. You were a good, generous man who dearly loved his family! May your soul rest in peace and we will hold your memory close to our hearts always! Love, Janny*
