

Mr. Alfred V. Soupios

August 22, 1950 - July 21, 2014

Al who EXPRESSED HIMSELF through his dry humor and wit will be sadly missed. He loved his family, friends, country, and TENNIS of course. Sammie, the dog, whom could be found either following or sitting in Al's lap on their favorite chair happily watching Roger Federer beat Nadal on the tennis channel. Al was a true patriot; he served in the Marines, where he received a Purple Heart. Al also served our country in the US Army. All who know Al knew that he was not shy expressing himself, so it would be amiss not to mention his disdain for the current Administration's treatment of his fellow Veterans.

He is survived by his "Soulmate" Conni; 3 sons, Michael (Mikey), Alfred and Jimmy; 4 grandchildren, Henry, Rebecca, Sara Elizabeth and Avery; 2 great grandchildren, Colbie (Cheeseball) and Carter; 2 sisters, Madeline and Nancy.

The family wants to give special appreciation and hugs to all his friends at Orlando Tennis Center. Ken Vargas, who was a tremendous support for Al and Conni during his illness, Tobias, Jeff, Mark, TJ and all the others that we missed supported Al and allowed Al into their lives for so many years through tennis and close friendships.

A Celebration of Al's life will be held Saturday, August 2, 2014 12:00PM at the Orlando Tennis Center, 649 W. Livingston Street, Orlando, FL 32801 407-246-

Arrangements are entrusted to DeGusipe Funeral Home & Crematory, 9001 N. Orlando Avenue, Maitland, Florida 32751. (407) 695-CARE.

“ I don't know how I stumbled across this. I was in the Marines with Al. Last saw him in 1969 in Da Nang.

“ Al you will be very missed. I know we didn't like each other in the beginning and Conni was always trying to make peace between and it drove us all crazy. We came around too being good friends and you have such a good sense of humor and that is a rare gift. I know Conni misses you and I will too. Have fun in heaven!!!! I hope you're playing tennis

“ When I met Al, I thought he was a "mean old man" after spending time with him, I thought of him as a very caring and thoughtful man. He loved Tennis and his partner Conni. He was a good soul and will be missed very much in my life.

“ Al was a caring man especially about his family. He LOVED and cared about his three boys and his grand and great grand children. He had such a different a sense of humor that you didn't know if he was kidding or not. I loved him so very much, even though he could be a butthead sometimes. He was at the tennis court so much, I often thought he loved those guys better than me lol. Sammy his dog will miss sitting on his lap. Sometimes Al would come up with a story or comment that totally thru you off such as, the surgical tech told me when he was rolled into the operating room, and just before he was to go under anesthesia, he asked real loudly, "is that Tim McGraw playing on the radio?" yes, they were playing music in there and yes it was Tim McGraw. Al didn't like country music and I had no idea he even knew the singer Tim Mcgraw . We all thought it was funny at the time anyway. Well, he's up in heaven younger and playing tennis and probably even has hair now and most of all, he's in a better place out of pain and misery and he's looking down at everyone laughing and happy.

Would like to extend our family's heartfelt sympathy for your loss. We have fond memories of meeting Al and sons on our annual trek to the beach with Madeline. I remember well his dry sense of humor. Hope you find some peace that he has gone to a better place. Umerley family, broadview hts, ohio

I'm so so very sorry you lost Al and your mother in one year. I hope you have someone to speak with about all this grief you're probably experiencing. Al was a funny patient and he was always a joy to see. He mentioned you so many times and when you came with him to his appts, it felt like Ive known you a long time. You're in my prayers.
