“ *My beautiful, artistic, cultured lady, in every sense of the word. Oh, how I will miss you. You made the world more beautiful, more thoughtful and considerate. My wife, lover, dancing partner, business partner, trusted adviser, consoler and cheerleader. All those things as you suffered so much with pain and disability. When we met, you were a kindly, sensitive, child care professional while at the same time you were the most exotically beautiful and gracefully cultured woman I had ever met. All of your family welcomed me in a way that was straight out of "My Big Fat Greek Wedding". I loved it all and reveled in it. I was so, so lucky. I will honor your memory, and your, and our, family as long as I live and beyond.*

*Your loving husband, Tim*
